## Commission and Settlement

## Commission Ratio of Agencies

**Your commission ratio depends on the total weekly earnings of your hostesses.  
See the chart below to know the details.**

| Class                  | A       | B           | C            | D             | E              | F               |
|------------------------|---------|-------------|--------------|---------------|----------------|-----------------|
| Income of Host         | 0-\$100 | \$100-\$200 | \$200-\$2000 | \$2000-\$5000 | \$5000-\$10000 | \$10000-\$30000 |
| Commission of Agencies | 10%     | 15%         | 20%          | 22%           | 25%            | 28%             |

## Sub Agencies

### Commission Ratio of Sub Agencies

**Invitation to create a sub agency panel is available inside the link agency. The agency can invite that link by giving it to its sub agency. Then the inviting agency will get the percentage of earnings of the Sub Agency.**

| <b>Class</b>                      | <b>A</b>       | <b>B</b>           | <b>C</b>            | <b>D</b>             | <b>E</b>             | <b>F</b>              |
|-----------------------------------|----------------|--------------------|---------------------|----------------------|----------------------|-----------------------|
| <b>Income of Host</b>             | <b>0-\$100</b> | <b>\$100-\$500</b> | <b>\$500-\$1000</b> | <b>\$1000-\$3000</b> | <b>\$3000-\$5000</b> | <b>\$5000-\$15000</b> |
| <b>Commission of Sub Agencies</b> | <b>15%</b>     | <b>18%</b>         | <b>20%</b>          | <b>22%</b>           | <b>25%</b>           | <b>28%</b>            |

**Example:-** If A agency has a 2 sub agency then if B earns 750\$ and C has 4000\$ B's earning agency commission.

### **Agency Commission of earning of B**

**Commission of B Sub Agency - 20% of 750\$ = 150\$**

**Commission of A Agency - 10% of 150\$ = 15\$**

### **Agency Commission of earning of C**

**Commission of C Sub Agency - 22% of 4000\$ = 880\$**

**Commission of A Agency - 15% of 880\$ = 132\$**

**Total Commission of A Agency = 15\$+132\$ = 147\$**
